

PART TWO

MEMBERS OF PEBA

This Part of the Handbook lists all those who are currently members of the Association. The website of the member's chambers should be visited for further details of the member's past experience, specialist expertise, publications, other qualifications and judicial or other appointments. The date immediately following the name of each member is the date on which he or she was called to the Bar of England and Wales; call to the Bar in another jurisdiction is only recorded if it was prior to call in England and Wales.

Those requiring further details of any member of the Association, for example to ascertain their suitability for a particular instruction, should consult his or her clerk. Alternatively, the relevant chambers website will usually contain a full CV of each member, including details of educational qualifications, call to Bars outside England and Wales (including those of Scotland, Northern Ireland and the Republic of Ireland) and membership of other professional bodies.

Up-to-date information may be obtained on the Association's website—www.peba.org.uk.
